**THE
MUSICAL
TRADITIONS
CLUB**
At The King and Queen, 1 Fuley Street, London W1.
Friday Nights Monthly 8.00pm start.

A new Folk Club, yet! But one with a purpose and character of its own. The Musical Traditions Club will follow the style set by The Fox and The Kings Head in London by providing a wide range of traditional singers and musicians in an appreciative and friendly atmosphere - one which will also encourage younger performers to develop and demonstrate their talents.

As with every club, the key to success depends upon its members and The Musical Traditions Club is pleased to list amongst these such fine performers as Pete Webb, Fiddly McKay, Ken Hat, Julie Machinara, Dave Campbell, Terry Wispard, The Dan Quinn Trio and Reg Hall's English Country Quintette.

Our opening night will be Friday 19th October 1990
when the guest is that outstanding singer from Shropshire

1. Dennington Bell (Dolly Curtis)

♩ = 110

Dolly played this tune in the above 24-bar format, ultimately finishing with an A music, and it is still played this way in many Suffolk sessions. A 32-bar version is included in the book 'Hardcore English'.
